

TRAVELLING  
NATURAL  
HISTORY  
- MUSEUM -

## **PME LIST!**

**THE TRAVELLING NATURAL HISTORY MUSEUM CARRY AMPLE SUPPLIES OF, AND ROUTINELY USE, THE FOLLOWING PROTECTIVE MEASURES EQUIPMENT:**

### **For Hygiene:**

- Sanitizer hand gel
- Liquid soap (TNHM will request/arrange availability and use of hot water prior to the event. If not easily available, hot water flasks will be carried.)
- Paper hand towels
- Pedal bin & 'one touch' box of tissues.
- Disposable face masks
- Disposable gloves

### **For Cleaning:**

- Buckets and wash brushes
- Disinfectant sprays
- Disinfectant disposable wipes

### **For Social Distancing:**

- Posts, base weights & barrier chains
- Floor tape
- Cones and any other temporary physical floor markers

### **For Awareness:**

- Posters & notices will be displayed where possible
- Emails with advice will be sent to all new clients upon booking
- Separate email instruction will be sent to each client, warning strictly against group gatherings that exceed whatever current government number restrictions are and against attendance of any person displaying any of the three COVID indicator symptoms: a new continuous cough, high temperature, loss of smell or taste senses.
